Career Objective

Seeking a challenging position in a reputed organization to apply knowledge in Python Full Stack and AI development, contribute to innovative software projects, and continuously enhance technical and analytical skills in a collaborative environment.

Professional Summary

Motivated and detail-oriented B.Tech **3rd Year Computer Science Engineering** student at Vignan University with strong skills in Python Full Stack Development, Java, and C. Experienced in developing web applications using Django, Flask, and MySQL. Passionate about building intelligent, scalable software solutions and exploring emerging technologies like AI Agents and LangChain.

Education

- **B.Tech in Computer Science**, Vignan University (2023 – Present) – *Currently Studying*
- **Intermediate**, Sri Chaitanya College (2021 – 2023), Score: 80%
- **High School**, St. France English Medium School (2009 – 2021), Score: 10/10

Hard Skills

- Programming: Python, Java, C
- Web Technologies: HTML, CSS, JavaScript, Django, Flask
- Database Management: MySQL
- Tools: GitHub, VS Code, Streamlit
- AI Tools: LangChain, Ollama
- Frameworks: React
- Problem Solving and Algorithm Design

Soft Skills

- Self-motivated and adaptable
- Fast learner and logical thinker
- Team collaboration and leadership
- Effective time management

Projects

- **VU Agent (AI-Powered Assistant Platform)**
  Designed and developed an AI Agent using React, LangChain, Streamlit, and Ollama LLM. Integrated Google and GPT APIs, improving response accuracy by **30%**. Optimized API calls to reduce latency by **40%**, increasing user engagement by **25%**.
- **Friendly Notebook (Python Full Stack Web App)**
  Created a collaborative note-sharing application using Django and MySQL for **10+ active users**. Implemented CRUD operations that improved data management efficiency by **35%**. Built responsive UI with HTML, CSS, and Bootstrap, lowering bounce rate by **20%**.

Achievements

- Solved **300+ problems** across LeetCode, HackerRank, and CodeChef.
- Earned **HackerRank Problem Solving Certificate (Intermediate Level)**.
- Completed **Full Stack Web Development Certification** from SimpleIlearn.

Certifications

- Python Programming – Coursera
- Full Stack Web Development –SimpleIlearn
- Problem Solving (Basic & Intermediate) – HackerRank
- Java Basics – SimpleIlearn

Strengths & Interests

Strengths: Quick learner, adaptable, creative, and self-driven
Weakness: Trust people easily and tend to overthink past experiences but learning to stay positive and focused.
Hobbies: AI exploration, web development, reading tech blogs, badminton

Personal Details

- **Father's Name:** Badisa.Venkateshwarlu
- **Mother's Name:** Badisa.AdhiLaxmi
- **Sibling:** One brother (B.Tech completed)
- **Date of Birth:** 09/07/2006
- **Languages Known:** English, Telugu
- **Location:** Madhira, Khammam District, Telangana, India

Declaration

I hereby declare that the information given above is true to the best of my knowledge.
